Golden Prime

Daily Vitality Soft Chew

ADULT 12 MOS+

Golden Prime is a daily vitality soft chew made for adult Golden Retrievers. Once a Golden grows out of puppyhood, their nutritional needs change. Golden Prime brings together more than twenty ingredients chosen for the adult Golden, supporting healthy joints, skin and coat, normal immune and heart function, a healthy metabolism and everyday vitality as your Golden gets older.

INGREDIENT PROFILE: WHY EACH ONE IS CHOSEN FOR GOLDENS

Ingredient	Dose	Why It Matters for Goldens
Mushroom Blend (Turkey Tail, Maitake, Cordyceps, Shiitake, Spirulina, Kelp, Beet Root, Barley Grass)	150mg	Immune and vitality support for adult Goldens. Turkey Tail and Shiitake supply beta-glucans that support normal immune function. Maitake supports healthy blood sugar. Cordyceps supports everyday energy for an active Golden. Spirulina provides protein, B vitamins and antioxidants. Kelp adds natural trace minerals from the sea. Beet Root supports normal circulation. Barley Grass supplies natural minerals.
Glucosamine HCl (shellfish)	100mg	A large, athletic breed puts real load on hips and elbows every day. Glucosamine supports healthy cartilage and joint fluid to help maintain mobility through the adult years.
MSM	100mg	Supports joint comfort and healthy connective tissue for an active adult Golden.
Salmon Oil	100mg	Omega-3s maintain the skin and coat Goldens are known for, and support normal heart function.
L-Arginine Alpha Keto-glutarate	100mg	Supports normal blood flow and muscle recovery, helping an active Golden bounce back after a hard day.
Chondroitin Sulfate	75mg	Supports healthy cartilage and joint fluid. Works with glucosamine for long-term joint health.
Turmeric Root	75mg	Antioxidant support for joint comfort in an active adult Golden.
Ashwagandha Root	50mg	An adaptogen that supports a normal stress response and helps maintain the even-keeled nature Goldens are loved for.
Astragalus Root	50mg	A root used for centuries in traditional herbal practice. Supports normal immune function as your Golden gets older.
Quercetin	25mg	A plant pigment found in apple skins. Supports normal histamine levels and seasonal comfort for a sensitive-skinned breed.
Resveratrol	25mg	Antioxidant support for a breed families want to keep active for many years.
Bitter Melon & Berberine	25mg / 10mg	Support normal blood sugar and a healthy metabolism, helpful for a breed that loves to eat.
L-Carnitine	25mg	Supports fat metabolism and normal heart function, helping maintain a healthy weight.
Pancrelipase & Papain	25mg / 10mg	Digestive enzymes that support digestion and nutrient absorption from every meal.
Probiotics (L. casei & L. fermentum)	0.15 BCFU each	Two probiotic strains that support a healthy gut and normal immune function through the adult years.

DOSING GUIDELINES

Weight	Daily Dose	Notes

SAFETY & WARNINGS

! DO NOT USE in pregnant or nursing Goldens.

! DO NOT USE in breeding females during an active cycle.

Contains Glucosamine HCl from shellfish. Consult your vet if a seafood allergy is known.

Consult your vet if your Golden is on NSAIDs, blood thinners or diabetes medications. Berberine may affect blood sugar.

Not recommended for Goldens under 12 months. Use Golden Start for puppies.

Give with food. Start with a half dose for the first 7 days.

Stop and contact your vet if any reaction occurs.

Emergency: ASPCA Poison Control (888) 426-4435
