Golden Stride

Mobility & Comfort Chew

ADULT 12 MOS
TO 7 YRS

Golden Stride is a 9-ingredient joint formula made for the Golden Retriever. A Golden is built to run, swim and retrieve, and those joints carry all of it. Golden Stride supports healthy joints and comfortable movement for an active Golden through the busy adult years. It includes two patented collagen compounds, plus Boswellia Serrata and Devil's Claw at meaningful doses. For the Golden that gives everything, daily joint support that keeps them going.

INGREDIENT PROFILE: WHY EACH ONE IS CHOSEN FOR GOLDENS

Ingredient	Dose	Why It Matters for Goldens
Glucosamine HCl (shellfish)	250mg	Our highest-dose ingredient, sized for a full-grown Golden. Supports healthy cartilage, joint fluid and connective tissue. Steady daily support helps maintain healthy hips and joints in an active Golden.
MSM	250mg	Supports joint comfort and natural collagen production, helping an active Golden stay flexible and move easily after rest.
Boswellia Serrata	100mg	A botanical rarely included at this dose in mass-market supplements. Supports joint comfort and easy movement in an active Golden.
Devil's Claw Root	100mg	A traditional herb that supports comfortable movement and joint comfort for a Golden that loves to run. Rarely found in retail joint supplements.
Turmeric Root Powder	100mg	Natural curcuminoids for antioxidant support. Works alongside Boswellia and Devil's Claw for all-around joint comfort.
Chondroitin Sulfate	90mg	Supports healthy cartilage and joint fluid. Important for Goldens in their active prime, when their joints carry the most daily load.
Balanced Collagen® (Types I, II, V, X)	50mg	Patented collagen blend by Molecular BioLife International. Supports healthy joint structure, with collagen types found in different joint tissues.
Kollagen Type 2® (Avian)	50mg	Patented undenatured Type II collagen from chicken, the same collagen type found in the cartilage at the end of a bone. Supports joint comfort and mobility.
Egg Shell Membrane	50mg	A natural source of collagen, glucosamine, chondroitin and hyaluronic acid. Everyday joint nourishment in a single ingredient.

WHY THIS FORMULA FOR THIS LIFE STAGE

Life Stage	Age	Key Focus at This Stage
Young Adult	1 to 3 yrs	Support healthy cartilage early in the active years
Prime Adult	3 to 6 yrs	Help maintain mobility and joint comfort at peak activity
Mature Adult	6 to 7 yrs	Support comfortable movement and range of motion
Transition	7+ yrs	Move up to Golden Years for senior joint support

SAFETY & WARNINGS

! DO NOT USE in pregnant or nursing Goldens.

! DO NOT USE in breeding females during an active cycle.

Contains Glucosamine HCl from shellfish. Consult your vet if a seafood allergy is known.

Consult your vet if your Golden is on NSAIDs or blood thinners. Boswellia and Devil's Claw may interact with these medications.

Not recommended for Goldens under 12 months. Use Golden Start for puppies.

Give with food. Start with a half dose for the first 7 days.

Stop and contact your vet if any reaction occurs.

Emergency: ASPCA Poison Control (888) 426-4435

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease. Always consult your veterinarian before beginning any supplement program.
